FLOOR PLAN

A STANDARD LAYOUT NOT TO SCALE

A double bed with bedside tables, a sofa, an armchair and a coffee table, a writing desk, and a washroom with a walk-in shower, twin basins and a WC. A deck runs across the front. Furniture and sizes can be changed for your site.

WHY IT WORKS

01 **All-weather canvas**

Waterproof, UV protected fabric for rain, strong sun and coastal air. Insulation is available for extreme climates.

02 **A frame that stays still**

An anti-wobble frame and steel anchor cables keep the tent steady in strong wind.

03 **The Vanity Suite washroom**

Twin stone basins, round mirrors and a walk-in shower inside the tent.

04 **An interior around your guests**

Furniture, rugs, lighting and finishes chosen for your resort and your guests.

05 **Modular and relocatable**

Goes up in days and can be moved to a new site or added to later.

06 **Smart living options**

Smart locks, climate control, air purification and adaptive lighting can be added.

ABOUT OUR PRICES

Made to your brief. Size, shape, materials, finish and features are fully customisable.

Prices are tentative. They are for guidance only and are not an offer or a final price.

Costs move. They follow international raw material prices, the USD to INR rate, freight, labour, the cost of living and taxes in the current geopolitical climate.

A firm price comes in writing. You receive a written quotation once the size, shape, quality, safety, location, budget, complexity and time frame are known.

Taxes. Charged at the rates in force on the date of supply.

Indicative content. Photos, layouts and specifications are indicative. Warranty is as per the manufacturer's terms.
